

CSE471 : System Analysis and Design
Lab Assignment on Figma

Project Title : Project Title Here
Group Number : ##

Submitted by : Your name
Student ID : ######
Section: ##

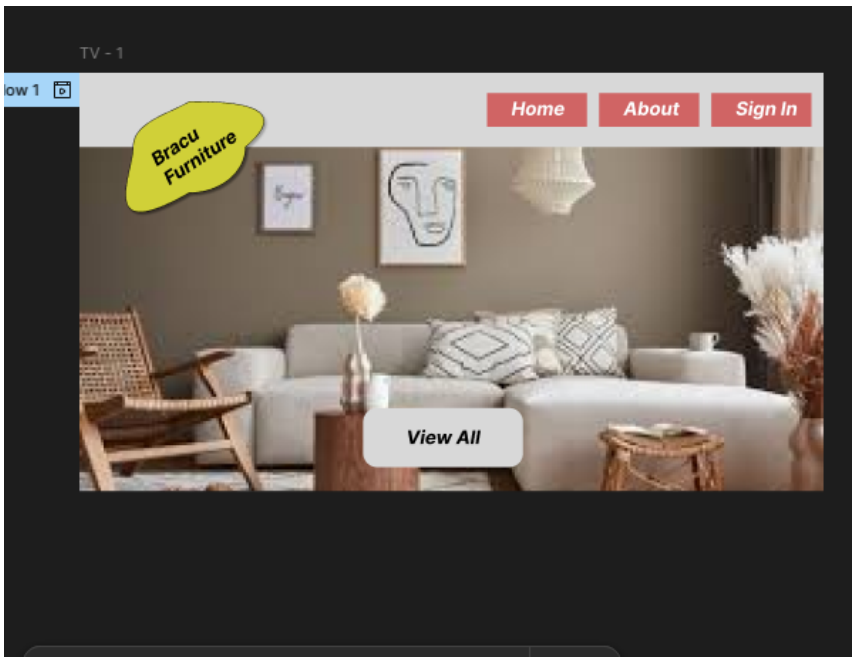

Date :

Instruction:

1. It's an individual submission based assignment.
2. You have to design the interfaces of the first two of your assigned features [according to the submitted requirement analysis] of your project using Figma. All members should work on the same project.
3. The designed interfaces can not be duplicated among group members.
4. Common workflows like login form, sign up form, forget password, profile management page must be avoided.
5. You can check out this manual: Lab 03 : Figma Manual.docx
6. Sample figma file link:
