Service Directory & Search

A multi-category catalog covering identity, transport, tax, land, business, health, education, utilities, and legal sectors.

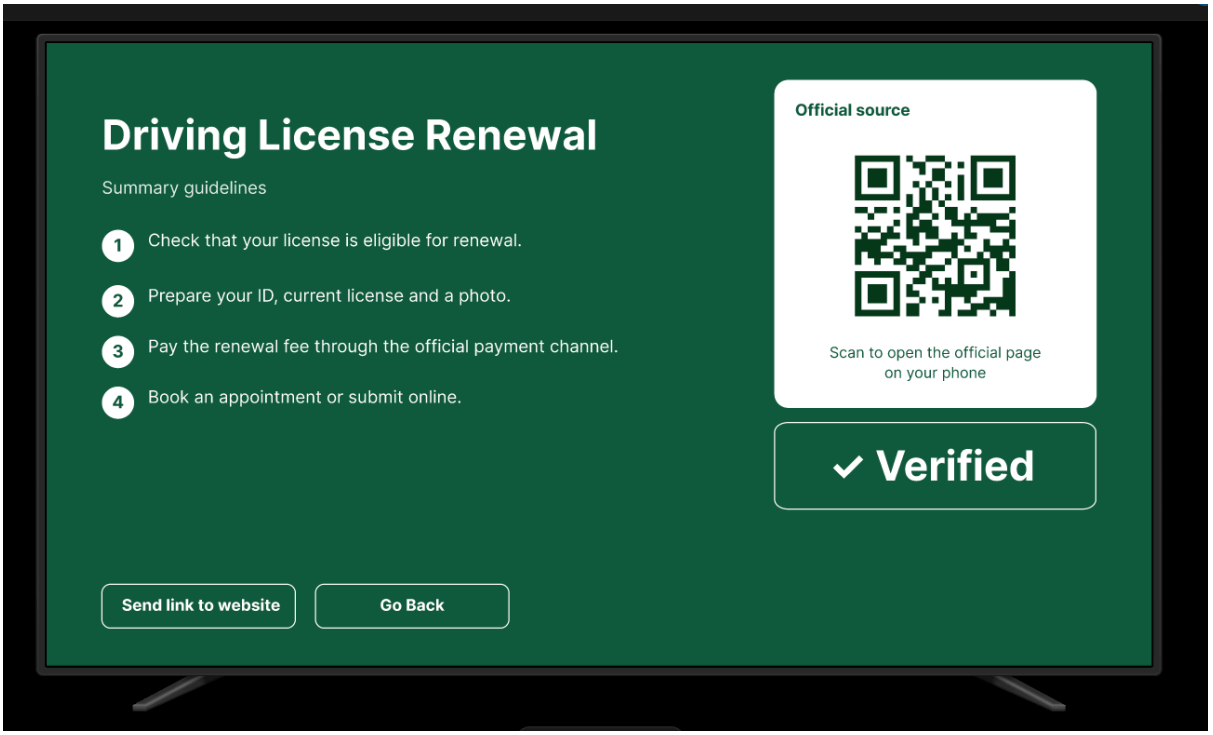

Users can perform plain-language keyword search or browse by category.

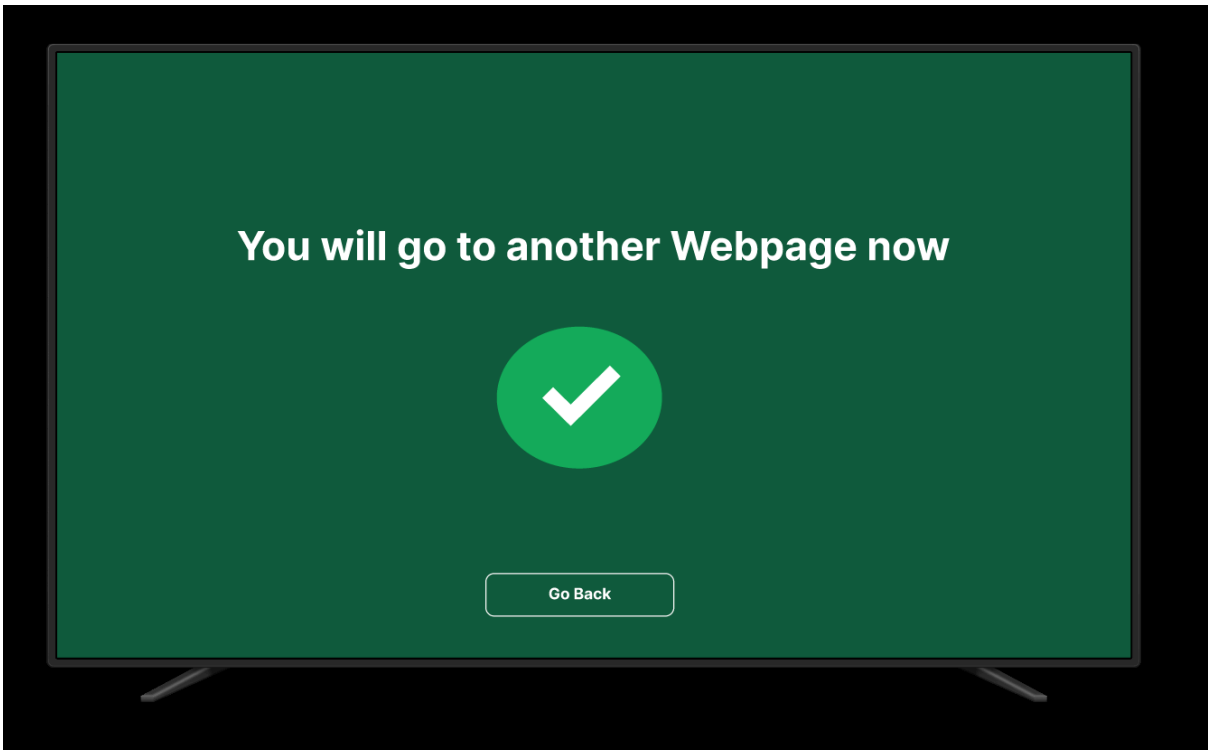

Each entry displays official source links, summary guidelines, and verification timestamps.

A QR code is generated as well as a button to redirect users to the official website instead.

Redirecting page is shown and users can go back to the search directory as well.
